Applications are invited for the post of a **Project Associate** for a Science and Engineering Research Board (SERB) sponsored research project Diary No. SERB/F/3317/2022-2023 titled 'Aquaporins in mosquito vectors'

| S.No | Position | Area of | Maximum | Consolidated Salary |
|------|-------------------------------------|----------------|----------|--|
| | | specialization | Duration | |
| 1. | One post of Project Associate | Life Sciences | 3 years | Rs. 31,000/- per month + HRA consolidated for a candidate with National Eligibility Tests- CSIR-UGC NET including lectureship (or) GATE (or) Rs. 25,000/-per month + HRA consolidated for Others who do not fall under above |
| | | | | |

Essential Qualification: Masters' degree in any branch of Life Sciences with 60% marks in aggregate from a recognized Technical institute or University as a full-time program.

Desirable: Candidates with CSIR-UGC NET qualification or a valid GATE score as well as working experience in Molecular Biological techniques are preferred.

Age limit: Not more than 35 years on the date of application.

Application Process: Interested candidates must apply with the following documents: (1) Cover letter (2) Bio-data with passport-size photograph (3) Scanned copies of educational certificates and mark sheets (Class X onwards) (4) Scanned copies of GATE/NET certificate (If any) (5) Proof for research experience, special achievements and publications (if any)

The soft and hard copies of all the above documents must reach the Principal Investigator (Dr. Kavitha Sankaranarayanan) within 10 days of this advertisement. The soft copies of all the above documents should be emailed as one file (.pdf format) with subject line "PA application for SERB project". The email and postal addresses for the correspondence are given below.

No TA/DA will be paid for attending the interview. The appointment will be on a purely temporary basis and co-terminus with the project. Candidates who are already employed should produce relieving certificate from their employers, if selected. The shortlisted candidates will be intimated about the date and mode of interview by email only. The selection will be based on qualification, experience and performance in the interview.

Address:

Dr. Kavitha Sankaranarayanan, Coordinator - Life Sciences Division, AU-KBC Research Centre, MIT Campus of Anna University, Chromepet, Chennai – 600044
