Fitter (3 Posts) (ST – 1 EWS – 2) Post Code: PT-FITTER	10 th standard with two years ITI Tradesman Course in Fitter approved by National Council for Vocational Training or its equivalent from recognized Institutions.	Basic reading of Engineering drawing, Basic knowledge in manufacturing tools and process. Two years experience in assembly of mechanical systems	Candidate needs to work at various project sites at Islands/Mainland. Dismantling, Repairing and reassembling equipment such as Rotating machinery systems, plant equipments and assisting field testing operation of varies mechanical systems and sub systems Participating in cruises for the deployment & retrieval operations
Mechanical (3 Posts) (OBC – 2 UR – 1) Post Code: PT-MECH	10 th standard with two years ITI Tradesman Course in Draftsman-Mechanical approved by National Council for Vocational Training or its equivalent from recognized Institutions.	Two years Experience in ACAD, 2D and 3D is desirable. / Knowledge in 3D Modelling software such as Inventor, Solid works	Candidate needs to work at various project sites at Islands/Mainland. Knowledge in reading and understanding engineering drawing and symbols. Drafting components, general assembly and fabrication drawings etc.,
	10 th standard with two years ITI Tradesman Course in Machinist approved by National Council for Vocational Training or its equivalent from recognized Institutions.	Two years Experience in Turning, drilling, surface grinding and milling trouble shooting and maintenance work at industries / R&D. Experience in assembly, integration and testing of mechanical systems and rotating machinery and in hydraulic systems;	Candidate needs to work at various project sites at Islands/Mainland. Turning, drilling, surface grinding and milling of mechanical system components Overseeing fabrication / installation of mechanical systems.
Civil (2 Posts) (OBC – 1 UR – 1) Post Code: PT-CIVIL	10 th standard with two years ITI Tradesman Course in Draftsman-Civil approved by National Council for Vocational Training or its equivalent from a recognized Institutions.	Two years experience in Research and Development, Industry in the area listed in job requirement. Knowledge in AUTOCAD (2D & 3D)	Preparation of drawings for concrete and steel structures etc. Preparation of bar bending schedules and estimation. Operation/maintenance of plumbing works and support scientists in scientific cruises operation and field work. NOTE: Candidate needs to work at various project sites at Islands/Mainland.

Electrical (4 Posts) (ST – 1 EWS – 1 UR – 2) Post Code: PT-ELEC	10th standard with two years ITI Tradesman Course in Electrician approved by National Council for Vocational Training or its equivalent from a recognized Institutions.	2 years work experience in Operation / maintenance of electrical equipments, Wiring of control panels, Industrial wiring, cable termination, assembly and integration of electrical system, handling of low and high voltage equipment.	Candidate needs to work at various project sites at Islands/Mainland. Assembly and Integration of the electrical system, Wiring of control panels, Industrial wiring, cable termination, low and high voltage system erection. Maintenance of Electrical installations, Generators, Transformers, etc., onshore, on board ships and Offshore installations and handlings.
Electronics (4 Posts) (OBC – 3 UR – 1) Post Code: PT-EI	10th standard with two years ITI Tradesman Course in Electronics / Instrumentation approved by National Council for Vocational Training or its equivalent from a recognized Institutions.	Two years work experience in Operation /maintenance of electronics equipments. Wiring, assembly and integration of control panels and circuit boards. Instrumentation cable glanding, termination. Calibration and erection of sensors. Handling of instrumentation and control, data acquisition systems.	Candidate needs to work at various project sites at Islands/Mainland. Industrial panel wiring and Interfacing, PCB soldering and Assembly, Handling of electronic instruments, Assembly, testing and calibration of instruments/Sensors, Interfacing and panel wiring, Installations of electronic systems on board ships, Offshore installations and handlings.

2. The web-link for submission of online application is available till 5 p.m. of **28.02.2023**
3. The registration for the walk in interview/ Test will starts from 8:00 a.m.–10.00 a.m on the scheduled dates for the posts at National Institute of Ocean Technology, Pallikaranai, Chennai.
4. Interview will be from 10:00 a.m. onwards. Test will commence by 10.30 AM.
5. Tenure: The posts are purely temporary under Project mode on contract basis. The assignment is for fixed tenure or co-terminus with the project in which he / she is engaged, whichever is earlier.
6. Candidates must be citizens of India.
7. The candidates should not have exceeded the maximum age limit specified above as on the last date of receipt of online applications. A maximum relaxation of 5 years in age is applicable to the candidates belonging to SC/ST category, 3 years for OBC candidates for the post earmarked against respective category; 10 years for persons with disability; 5 years for Group – A and Group – B Ex-Servicemen and for Group– C Ex-servicemen – 3

- years over and above the period of service rendered in the Army, Navy and Air Force, subject to maximum age of 45 years (50 years in case of SC/ST).
8. No TA/DA will be paid to the candidate for appearing interview/Test.
 9. In case more number of candidates appeared, the selection process for Project Scientists posts will be based on the performance in the Test and Interview. In respect of the other posts, the selection will be based on the marks obtained in the written test/Trade/Skill test. The skill test will be of qualifying nature.
 10. The person engaged will not be treated on par with regular employees of NIOT and shall have no right to claim implicit or explicit for their absorption or regularization in NIOT.
 11. All candidates are required to bring the original certificates related to educational qualifications, date of birth, work experience, caste etc. Duly attested copies of all the documents must be submitted with the printout of the online generated application form and one self attested recent passport size photograph should be pasted in the appropriate place in the online generated application.
 12. The candidates selected are liable to work anywhere in India and can be posted in Islands of Lakshadweep or Andaman and Nicobar in the projects of NIOT. The projects may involve travel and operations, field trials in Islands and may involve sea cruises for data collection, sampling etc. The selected candidates are required to apply and possess/apply immediately for valid Indian National passport on joining the service.
 13. The decision of NIOT in all matters relating to eligibility, acceptance or rejection shall be final, and no enquiry or correspondence will be entertained in this connection from any individual or his/ her agency.
 14. Candidates who are in Government/Autonomous institution and PSU should furnish NOC at the time of interview.
