The post of **Chief Engineer (Class I) (HoD)** is likely to fall vacant in the scale of pay of Rs.100000-260000 (Revised) (Pre-revised Rs.43200-66000) and to be filled by **Absorption through Composite Method**, from the Officers of Major Port Authorities, fulfilling the eligibility criteria as per the RR (**Annexure-I**).

2. The incumbent will be initially appointed in the post in the scale of pay of Rs.100000-260000, and **after completion of 3 years regular service in the post**, he / she will be elevated to the scale of pay of Rs.120000-280000 subject to fulfilling the relevant conditions as per the Ministry's guidelines vide Letter No.A-12023/15/2018-PE-I dated November 19, 2019.

3. The selection is by merit for which overall grading in the ACRs / APARs will not be below "Very Good".

4. Applications are invited from suitable and willing officers, who satisfy the eligibility criteria for the post, as per the RR including the Note mentioned in the attached RR (Annexure-I). 8. Further, the Ministry vide letter dated 20.09.2022 has issued the advisory in continuation to its earlier guidelines dated 26.09.2019 regarding filling up the HoD level posts in Major Port Authorities, wherein, it is inter-alia stated that "In this connection, it is clarified that certain documents viz. obtaining vigilance clearance, APARs of the candidate may take some time due to administrative formalities. In such scenario, the Ports need to forward the application of the officer with the approval of the competent authority (i.e. through proper channel) to the Port which has issued advertisement before the due date of submission of applications. Such applications through proper channel (even though without APARs, Vigilance, etc.) will be taken into consideration by the Ministry for appointment to HOD level posts. However, for consideration of candidature of the candidate by the Selection Committee, the Ports are required to forward the remaining documents without unnecessary delay. At various instances, the Ports forward the applications of the candidates in the last hours. Thus, it becomes impossible for the application to reach the Port that issued advertisement before the due date of submission. In such cases, the Ports are required to forward his application (through proper channel i.e. forwarding of the Port along with printout of OAP application) via email so that the candidature of the candidate could be considered for the post. Subsequently, the complete application of the candidate along with other documents may be forwarded by the Port by registered post to the Port that issued advertisement".

9. If any major or minor penalty has been imposed on the applicant during the last 10 years, the disciplinary case leading to such penalty along with necessary documents may be sent by the forwarding authority along with the application. The Vigilance report is to be furnished in the format prescribed, vide Ministry of Ports, Shipping and Waterways's letter No.A-12023/2/2021-PE-I dated 20.01.2021, copy of which is attached as **Annexure-III**.

Yours faithfully,

*a. shane*
